

To Whom it May Concern,

Walnut Farm Montessori School is celebrating our 25<sup>th</sup> year in Northwest Arkansas. As the only accredited Montessori school in our area, we have children ages 18 months to 9 years from diverse backgrounds, abilities, religions, races and cultures. In addition to a full Montessori Curriculum, we provide a variety of enrichment programs and activities to our students that are not available at any other school in the area. Walnut Farm Montessori is a non-profit school that relies on fundraising and strategic community partnerships to help educate the future leaders of our community.

After a successful inaugural event in 2016, we will be hosting our 2nd annual Clubs and Crawfish Golf Tournament. The tournament and dinner event will attract WFMS families as well as business leaders of our community and their families. We would like to give your company an opportunity to becoming an event sponsor. Tournament details and sponsorship opportunities are below.
